

Looking for your first rental?

3 1 1

This three bedroom home would be ideal for a couple looking to rent their first home. It has some built-ins in the bedrooms, there is a wood heater and a reverse cycle air conditioner in the lounge room and the kitchen is a big eatin kitchen with lots of storage. Across the back of the home is a good size sun-room that could easily be another living area if you are in need of a room for the children to spread out in. The yard is large and is well fenced and there is also a separate lockable garage and carport. The owner will consider a dog as long as your references are good. Agent Rental References are definitely required for this home.
