

Warbro Brook Grazing

2,189,349.30m2

Large cattle property, approximately 541 acres, located in the stunning Upper Macleay Valley featuring open grazing country, creek flats, several open ridges and timber country! The property is currently running a cow and calf operation, but has the potential to be a subdivision with four separate land titles with several great home sites throughout the property, plus power runs across the property.

Ideal for a large cattle operation in the hills of Willi Willi or for a weekend escape in the country with the whole family. Call Ian Argue today on 0428 655 604 for your own private inspection of the whole property!
