

11 Betts Street, East Kempsey

Swimming Pool and East Kempsey

This three bedroom home has a lot of character and needs a family who love color. The lounge room is very spacious so would ideally suit the person who has large furniture. The dining area is seperate and is off the lounge area but could easily be converted to a office or family room if you need that extra space as there is another room off the back of the kitchen that could be the dining area if need be. Summer should be enjoyable as there is a large back covered BBQ area and an in-ground swimming pool. This home is affordably priced and really needs a young family who will care for the leafy gardens and swimming pool. A pet will be considered with good references.
