Renoavtions are Complete

Close to the hospital and fresh onto the rental market is this 4 bedroom home in West Kempsey. It has been renovated and everything is very clean and tidy and will suit someone who maybe works at the hospital and needs to be close by. The home has a reverse air conditioner so you should be comfortable plus it also has an elevated position so should get a breeze through. The yard is very well fenced so if you have a small child that could be a plus too. Definitely no pets and references are required
