Out of Town but so close

Are you looking for a small cottage out of town but still only 10 minutes away? This lovely two bedroom home is in very good condition, has a reverse cycle air conditioner and will ideally suit one person or a couple. It is set in well established gardens so we are looking for someone who does like to potter in the yard. The home does have a large deck that over looks the whole block and is a great spot to sit and enjoy the views. You are only renting the cottage and its fenced house block. Small dog or cat would be considered as well. References are definitely required.
