Alluvial Excellence with Flood Free Hill!

One of the few lower river alluvial holdings with the unique feature of having a large natural flood free hillside, this productive 18.18 Ha (45 acres) block is ideal for fattening, cropping or fodder production. Split into several paddocks and with a good set of stockyards, the block features kikuyu, paspalum and clover pastures, town water, an excellent farm/machinery shed, an adjacent concrete pad for future development and a fantastic flood free hill for flood refuge and home site. Only a few minutes from Smithtown/Gladstone and 15 minutes from Kempsey and beautiful beaches. A versatile block with a built-in flood refuge and a great homesite!
