As Good As It Gets!

First time publicly offered for almost a century, this prime alluvial acreage on the edge of town lies within the town levee banks, making it flood free in all but the most extreme circumstances. There are 40 acres of rich alluvial soils, ideal for fattening, cropping, or any type horticulture, 9 paddocks, a set of stockyards and town water linked to several troughs. Excellent road access (3 street frontages), 2 titles and walking distance to the CBD. This property has been held by one owner for 60 years – a true testament to it quality, productivity and versatility.
