Invest In Bricks and Mortar

The old saying "you can't go wrong with bricks and mortar" has never been more applicable than in the current climate and this solid 3 bedroom, brick veneer home is a great example of a classic investment for first homebuyers' property. Hardwood timber floors, spacious living room with a wood fire, timber kitchen with adjacent dinning area, renovated bathroom and lovely enclosed rear sunroom, all combine to make this a property with plenty of upsides. There is also a small office or storage room, lockup garage, shady front balcony and fenced rear yard. Walking distance from schools, hospital, club and sporting fields. Solid as a rock!
