38 Betts St, East Kempsey

Popular East Kempsey

Back on the rental market is this very comfortable three bedroom home on a large and leafy block in East Kempsey. It has ceiling fans, and two reverse cycle air conditioners so year round comfort should be okay. There is a big kitchen with dining/family area as well as a separate living room. This would be a great home for a young family and is within walking distance to a school. Out the back is a covered area that would be great for summer entertaining too. Owner may consider a pet with good references but definitely it has to be an outside pet.
