Lovely four bedroom family home

What can we say but this lovely home is beautifully maintained and would offer a family comfort all year round. High-set with a great outlook this home has four good size bedrooms, there are three air-conditioners, ceiling fans plus a wood heater for year round comfort. But what is really lovely is the renovated kitchen with so much storage and bench space it will surely please. The back yard is secure and well established. Please no pets and rental references are required.
