

# Catch The Coastal Breeze

With a commanding position on the top of a hill, this uniquely designed home enjoys private position which also catches the cooling coastal nor-easterly breeze. The home consists of 2 levels, with cathedral ceilings, timber floors and open plan living. Downstairs is a spacious living room with a woodfire, open plan kitchen and dining area, two large bedrooms with built ins, office or study, bathroom and laundry. Upstairs is a rambling main bedroom and storage area with an ensuite. Shedding is in abundance with a 8m x 7m lock up workshop with power, double carport and an extra machinery shed, while the established grounds and gardens on the 1.3ha block are easy maintenance with numerous fruit trees. The home still needs a few finishing touches, but the position, privacy and proximity to Crescent Head make this a fantastic lifestyle opportunity.
