Home with acreage

Here is a rare opportunity to lease a real country home on acreage. Just 15 minutes from Kempsey this well maintained family home will suit the family looking for privacy and room to move. The home is a real surprise package and has 4 bedrooms, 2 bathrooms and two living areas. There is also a large loft that could be a 5th bedroom or an other living room or perhaps a work from home space. You will love coming home to the property as the large covered deck at the back has rural views and would be you favourite spot to sit and relax. There is wood heating and reverse cycle air conditioner. Looking for someone who would appreciate this home like the owner has and who will care for the whole acreage. Pets will be considered but definitely outside only.
