River Views

The paint has just dried and this spacious two bedroom unit is now available. Both of the bedrooms are upstairs and both have good size built-ins. The back bedroom has a back patio that overlooks the river and would be lovely to sit and enjoy the views with a cup of coffee. The bathroom and a toilet are also located upstairs but there is a second separate toilet downstairs off the laundry. The downstairs living/dining area also has views of the river. This property has just been repainted, new floor coverings and blinds and is ready to go. Definitely quiet living tenants and no pets please.
