4 bedrooms and spacious

This loved family home is being offered to rent for the first time. It has 4 bedrooms that are all of a good size and especially the main bedroom which is located at the back of the home and even has an ensuite as well! The kitchen has so much storage and will suit the family who love to entertain as there is a lot of bench space too. If you love a home that is light and airy then you will love the open plan living area this home has to offer. The back yard is also large and there is a covered area for outdoor entertaining plus a shed that would definitely make the family with lots of bikes, canoes or other items that need to be stored. A pet would be considered if excellent references can be supplied.
