2 Moparrabah Road, Moparrabah

Away from it all!

Back onto the rental market is this two bedroom farm house that would ideally suit a single person or an older couple wanting to get away from it all. There is a wood heater and an air conditioner so you should be comfortable year round. Out the back is a small timber deck that is a nice spot to sit and take in the rural views. This is a working cattle farm and you are only leasing the home, fenced house block and the small area around the house block that is fenced off with a shed and a chook yard. References are definitely required and a pet maybe considered.
