

Popular Frederickton Location

3 1 3

Do you want to live in a little piece of history then you will love this two story home that use to be the old Post office of Frederickton. Very well maintained it offers three bedrooms with access from the main bedroom to the front veranda for those lazy mornings to sit and enjoy a cuppa! The bathroom and kitchen have been renovated as well and there is an extra toilet downstairs. The home also has a large garage shed that will accommodate two vehicles and lots of storage. The yard goes right down to the river and the views are just stunning. References required and a pet maybe considered but definitely not inside!
