Enjoy the peace of country living

Back onto the rental market is this 2-bedroom home that is very affordably priced as the landlord may require some assistance occasionally. This home does have two sunrooms at front and back entries. The loungeroom is separate to the dining kitchen area. It is highset as it is in a flood prone position and does have rural views. There is also vehicle accommodation. Handy location if you work at either South West Rocks or Kempsey. This is a working cattle property, and the landlord will be on site on occasions as well. The rest of the acreage, shedding and yards are not included in the lease. References are required please.
