Handy Location in Popular East Kempsey

Hidden behind a high brick wall is this very comfortable three bedroom home with lots of cottage charm. Each of the bedrooms are of a good size especially the main bedroom which would be great if you need to accommodate a king bed. The living area is open plan and leads out to a deck over looking a very big back yard. A second shower and toilet is being built downstairs now. Walking distance to a school and to town which is ideal if you are a one car family. References are required.
