One of the Finest on the Macleay

Rarely does the opportunity arise to purchase what could be considered one of the most impressive rural holdings in the valley – a property not publicly offered for sale within living memory. With frontage to both the Macleay River and Hickeys Creek, this 74.64 hectares (184 acres) property runs 50+ breeders and is a perfect balance of fertile alluvial creek flats, pasture improved, undulating grazing country and pockets of shelter belts and conservation areas.

The original homestead, privately situated with a stunning outlook has been completely & tastefully renovated and offers a combination of indoor and outdoor living and entertaining areas; a stylish country style kitchen with views over the property; three light airy bedrooms, the main with walk in robe & ensuite; a stunning bathroom; and reverse cycle air conditioning and wood fire. A huge newly constructed farm and machinery shed provides ample storage and work space; new steel stockyards enhance stress free stock management; and 90% new boundary and internal fencing; along with recently completed culverts and gully crossings, all combine to make this one of the most meticulously maintained properties you will find. Tar road frontage, 20 minutes to Kempsey and 2 minutes to Willawarrin village.
