## Handy to South West Rocks and Kempsey

This family home is being offered for rent for the very first time. It has been well maintained over the years and would offer a family needing four bedrooms, 2 bathrooms and two living areas some extra space to move. There are high ceilings and spacious rooms with some reverse cycle air conditioning split systems, ceiling fans and a wood heater. There is a good size sunroom across the back ideal if you need two living spaces. You will be only leasing the house, the house block and half of the garage. This property is a working cattle farm so the rest of the acres, shedding and yards are not included in the lease.
