14C Hilton Trotter Place, West Kempsey

Just Relax

This solid brick veneer home is located, in my opinion, the best subdivision in West Kempsey. With everything done there is no need to lift a finger or spend a penny in this quality home. Everything has been meticulously maintained and renewed. The home consists of 3 bedrooms, large open living and dining area, spacious and well-appointed kitchen, attached single garage and new carport. An undercover entertaining area out in the courtyard with roller blinds provides all-year comfort. It even has enough space for a boat or caravan with electrical access to the right of the carport. Very private location with great neighbours. Come and see for yourself, just give me a call to arrange a private inspection today.
