12 Cameron Street, West Kempsey

Renovations just completed

This home in a great spot in West Kempsey has been beautifully renovated and really must be inspected to appreciate all the landlords have done to it. You will love the open feel of the huge living dining room and it is so light and airy. There is also another separate living room which could also be used as another bedroom. The home does have three really good size bedrooms though. You will love the kitchen and laundry area. So many cupboards and storage space. The bathroom has also been renovated to a very modern standard. There is a reverse cycle air conditioner and ceiling fans for year round comfort. Yard is well fenced and there is a carport and a garage.
