42 Lachlan Street, South Kempsey

Renovations just about completed.

This home has had major renovations and is so much bigger than it looks. It's living area is massive and would suit the person who loves open plan living. The new kitchen is well equipped and has very good storage. The three bedrooms are of a good size as well. There is also a L shape sunroom across the front which could also be used as another living area. The back yard should be manageable and the fencing will be secured if you do have a pet. The home does have a double carport and the landlords will be fencing the front yard off.
