

# Waking up to water views

This home will suit a couple who would appreciate the serenity this home has to offer. With beautiful river views and if you love to fish then you just need to cross the road. This home has had major renovations with a new kitchen, paintwork, blinds and floor coverings. There are three good size bedrooms with ample built ins. The spacious eatin kitchen has just so much storage that a discerning cook will love this. The living area is quiet large and has a cosy wood heater to keep you warm. There is a single garage plus lockup area at the back of it. If you own a caravan or boat then there is also access to the backyard to park it on some concrete. The yard is large too but is not fully fenced.
