17 William Street, Kempsey

Location!

Ideally located in a very popular street in East Kempsey is this renovated three bedroom home. Beautifully presented with a very large lounge dining area plus an eatin kitchen! If you work from home you will love the fact that the third bedroom has it's own access from the carport so it is ideal for clients to access this way. The carport is very long so it is great if you have two cars that you need to accommodate. The yard is a great size and there is even an outdoor toilet!
