44 Rawson Street, Smithtown

Popular Smithtown

This home has just come back on the rental market and would suit a young family as there is a good size yard that is fenced off and a large rear deck with an outside toilet perfect for outdoor entertaining. The home is spacious inside with three bedrooms with built-ins plus a sun room that could be a fourth bedroom or office. The living area is open plan and has reverse cycle air and wood heating as well. And if all of this isn't enough there is a large back shed for vehicles and storage. References are required.
