Clybucca

Handy to South West Rocks

This older style farmhouse has just gone under some renovations with brand new floor coverings and new paintwork inside. This home is on a working cattle property and ideally we need someone who understands about cattle and will maintain the home and the house block to a high standard. There are 3 bedrooms and a smaller separate room off the dining which could be used as an office or small 4th bedroom. References are required and no pets please.
