

A Real Surprise Package

This well maintained home in West Kempsey is a real surprise package and definitely has to be inspected! It is a great family home with three extra large bedrooms, an office out the front which would be great if you work from home. There is also a large eat in kitchen plus a big separate dining room or could be another living area. The lounge room is at the back of the home and has air conditioning too. There is also a single carport and a big backyard that would be great for the children's swing set or trampoline. References are definitely required please.
