Sought After Gladstone

Just back onto the rental market is this beautiful four bedroom home in Gladstone. It has both views of the river and of the lush green paddocks. This home has two large living areas and two bathrooms with a spa bath in the main bathroom. The laundry is enormous and has room for an extra refrigerator or a freezer. Upstairs you will also find a large refrigerator in the designer kitchen, which also overlooks the outdoor decking area, which would be perfect for those great summer entertaining days. There is an extra outdoor entertaining area underneath the decking to be enjoyed as well. If all this isn't enough in the backyard is a cute cubby house and a garden shed for all your garden tools. Rental references are definitely required.
