

Leased

1660 Macleay Valley Way, Clybucca

Totally Renovated

This farm house has been totally renovated and offers 4 good size bedrooms and a massive living room that opens onto the front enclosed verandah. It has a back sun-room and a beautiful big kitchen with lots of cupboard space. There is also reverse cycle air conditioning for year round comfort and the laundry and bathroom are combined. There is absolutely nothing to fault and if you wish to live out of town but still easy driving distance to South West Rocks and Kempsey then this is the home for you. This is a working cattle farm and you are only leasing the house and fenced house yard. A pet would be considered but excellent rental references are required.
