Great First Home

This home is coming back onto the rental market and is a great first home for a family on a tight budget. It has been very well maintained and has three bedrooms with an added bonus of an extra lockup room outside that could be either a office or play room. The home has a reverse cycle air conditioner and ceiling fans for year round comfort. The yard is very well fenced so would suit a young family. A pet will be considered if references are good.
