Something Different

Looking for affordable living and a flat but would really like some space in the yard for you to enjoy.....than this flat maybe what you are after. Its attached to a large home but this flat has had some renovations. You will like the kitchen and the good size living areas which could also suit someone wanting to set up an office or maybe an extra bedroom for visitors. There is plenty of yard space and the landlord does have the gardens maintained. Also included is a large garage which could suit if you need storage as well.
