

668 Old Station Road, Verges Creek

## Beautiful Rural Views

Just onto the rental market is this beautifully maintained home with spacious grounds that are also well maintained with fruit trees and a spot for a vegetable garden. Lots of character with double brick walls and timber raft ceilings with exposed beams as well. This home has three bedrooms with built ins, separate family room, and a big country eatin kitchen dining together and a separate lounge room with wood heating. The front of the home faces the view and there is a covered verandah with BBQ already there for summer entertaining outside. You would be only leasing the home and the fenced house block and single garage as the rest of the property is a working cattle farm and the owners would be assessing the property in regard to this. Strictly no pets please.
