Renovators Dream With Dream Views

Perched high on the hill at Frederickton, this vinyl clad cottage is a real old timer which could do with some major renovation but the views from the front of the home are just spectacular, looking up the Macleay River towards Kempsey and out towards the Great Dividing Range. The home has two bedrooms, two living areas, a basic kitchen, tidy bathroom and an enclosed front sun-room. The block is 1012 sqm (1/4 acre) with a lock up shed and is fully fenced. A real blank canvas for the keen home renovator with a view that won't disappoint!
