829 Right Bank Road, Belmore River

Sought after Belmore River Location!

First time onto the rental market is this well loved family home. Located at Belmore River this home is ideal if you wish to live out of town but still within easy driving distance to Gladstone, Kempsey and South West Rocks. There are verandahs front and back so you could get home from work and enjoy views of the river or cattle grazing out the back. There is also a reverse cycle split air conditioner so this should make the home fairly comfortable. The block of land is massive and has well established gardens which could suit a trampoline and swing set. This is a working cattle farm and the rest of the acres are not included in the lease. Definitely references are required and no pets please.
