Budget Priced Beef Block

Sit back and watch your cattle fatten on the highly improved pastures established on this versatile 34.17Ha (84.5acres) vacant block located on the fertile lower Macleay. The current owners have invested heavily in fertilizer and pasture improvement, meaning the lucky buyer can reap the rewards by running and fattening large numbers as the seasons dictate. Several paddocks, good fencing, elevated machinery shed, town water and all weather access all combine to make this a conveniently located, easily managed property, ideal for vealer production, backgrounding or bullock fattening.
