TRANQUIL ACRES

You will go a long, long way to find a hobby farm as well presented, or conveniently located, as this one. Only 10 minutes from town, this is 10.28 hectares of gently undulating grazing land, with several paddocks, 2 dams, steel stock yards, stables, machinery sheds and fowl pens. The four bedroom brick home has a fully renovated kitchen, separate dining room, 2 living/family rooms with wood fires and air conditioning, and a semi enclosed entertaining area with a bar. There is also a self-contained studio, triple carport plus garage, ample rainwater storage, bore, all set amongst fully established, easy care gardens. I could go on and on, but why not come and look for yourself?
