Kinchela

FIRST CLASS

Located in the Kinchela area fronting both Hat Head and Kinchela Creek Road is this very fertile and alluvial piece of lower Macleay country.

Wrapped around Kinchela primary school, this 8.69ha (21.47 acres) piece of land has been used over many years for primarily running and fattening beef and dairy cattle across excellent pastures of kikuyu and clover. The rich alluvial soils would support the growing of any cash crop, pasture improvement or market gardening enterprises.

This quality piece of land lies within a short 10 minute drive to the beautiful white sand beaches of Hat Head and South West Rocks and is within a short stroll to Kinchela Creek and the magical Macleay River.
