Dondingalong

Unsurpassed Value

Tightly held family farm consisting of 218 acres with lovely creek frontage. The country ranges from rich limestone grazing country down to fertile creek flat with a good balance of timbered & clean country. This property enjoys a 3 bedroom farm house that only needs the verandah boards finished off & a new kitchen to make it very comfortable. The property also has a near new colourbond shed & a set of stockyards. It will be pretty hard to find another property with this much value.
