Collombatti

Flood Free Grazing Close to Town

Only 10 minutes from town & with tar road frontage, this gently undulating 60.7 hectare (150 acre) grazing block offers some great homesites with a northeasterly aspect & a peaceful private atmosphere. The property is mainly cleared, fenced into several paddocks, & besides 2 dams & natural lagoons, enjoys having long frontage to Collombatti Creek as its northern boundary. There is a large, partly enclosed steel machinery shed with a 5,000 gallon water tank & a small set of steel stockyards. A great place to build a perfect flood refuge during wet times, & all close to town.
