Collombatti

Timber, Pasture, Lifestyle

This productive block consisting of excellent timber resource, alluvial creek flats and open grazing land is perfect for those who want to enjoy the rural lifestyle and still earn an income from the property. This property is approximately 103 hectares (255 acres) in size and fronts Collombatti Creek. An estimate of \$70,000 to \$100,000 worth of timber royalties still remain, with the balance of the land cleared and currently running livestock. The block enjoys a huge machinery shed, old milking bales, solid stockyards and all the fencing is very near new. Well worth an inspection!
