Collombatti

Rural Relaxation Close to Town

Enjoy the convenience of a 10 minute drive from town, combined with a relaxed rural lifestyle, with this gently undulating 60.7Ha (150Acres) grazing block that is fenced into several paddocks, and has two dams, natural lagoons, and Christmas creek frontage along the northern boundary. The block enjoys a north easterly aspect and there is also a set of stockyards and a large, partly enclosed steel machinery shed with 5000 gallon rainwater tank, with tar road frontage and a short drive to town, but still enjoying a peaceful, private atmosphere, this is a great place to build your dream home.
